BIO

Lucrezia Bonasia is a music composer and producer specialized in music for commercials. She had curated the music for important fashion brands such as Rochas Paris, Huishan Zhang and for luxury brands like Frederic Malle in collaboration with AD magazine.

Her music encloses classical inspirations and modern sounds, always looking for a new and perfect mix.

She is also a classical guitarist and performer, which makes her expert in the classical style. In addition, she creates her own electronic and artificial sounds to express every emotion and tell every day a new story.

Lucrezia Bonasia attended her Master's Degree in Film Scoring under IMDb composers.

She writes music for Films, Advertising, Documentaries.
